DECL. OF Noel Siles

1
2 I cry a lot. And at times I think
3 I want to die.

4
5 (6) ND one has spoken to me
6 about how I'm feeling.
7 I have never received a form
8 that asked how I was feeling.
9 If I would have been offered
10 a form to state that, or an
11 appointment would have told
12 them I was depressed.

13
14 (7) I developed intense pain in
15 my shoulder for 2 days. I
16 asked a guard for help, he gave
17 me a form to fill out but no
18 one ever collected it. I asked
19 guards for 3 more days to help
20 me but I have not received
21 any response or follow up.
22 I still have pain in my shoulder
23 now. I've also filled out a form
24 requesting medicine and
25 no one has collected it.

26
27 (8) A detainee in the cell across
28 from me had several episodes

where he would faint. He later said that it was because he was so depressed. Once he had an episode where he hit his head on the wall, guards came in, shackled him and took him away. When he returned he told me he didn't remember the episode. He kept telling the guards he didn't want to be here. And they threatened to put him in the hole because he drew a picture of his country on the wall.

I, NOOL SILES, declare under penalty of perjury that the foregoing is true and correct and that the declaration was completed and signed on August 16, 2018 at Victorville, California.
